Ride on...

Savour fresh seafood in local hostels and restaurants, browse through the narrow streets & shops. Malahide & its surrounding area is very accessible by bike.

If you enjoy cycling & want to include a bracing or leisurely guided tour or simply hire bikes for an hour or a day, then look no further.

Malahide Castle & Gardens...

Our bike depot is situated on the grounds of the beautiful Malahide Castle. This is one of Ireland's oldest castles, dating back as far as 1175. It has a long and rich history and played a central role in Medieval Irish history. The estate survived such losses as the Battle of the Boyne and the Penal Laws. It was home to the Talbot family for almost 800 years (1185 to 1975). Why not take the time while on the grounds to take a guided tour and find out all about the history of this ancient castle.
